To Whom It May Concern:

This is a letter of reference and confirmation that R.A.M. Residential, Inc. has installed new shingle roofs on 2 buildings of Jules Village Condo Association during the spring of 2004.

As President of Jules Village Condo Association, please be advised that I have been directly involved with the roofing project and I am extremely satisfied with the final results. R.A.M. Residential, Inc. has been very dependable as to project commencement and completion on a timely basis. This has been crucial during this rainy spring. Most importantly, their work is of the highest quality with very competitive marketplace pricing.

On behalf of our Condo Association, I highly recommend R.A.M. Residential, Inc. Their pricing and involvement has been very cost effective as compared to other roofing companies.

Sincerely,

Rita Fischer

President, Jules Village Condo Association
